**Patient, carer, family and friends event**

---

## What does the future hold for head and neck cancers?

An evening of the latest clinical research innovations and what this means for cancer care and treatment, co-chaired by Professor Kevin Harrington and patient representative, Graham Spoor.

**Date:** Tuesday 23 March 2021

**Time:** 17:30 – 19:45pm

**Location:** Online - Zoom

### Join us at our online open evening to:

- meet world-leading clinicians and researchers from The Royal Marsden and The Institute of Cancer Research, London
- learn about head, neck and thyroid cancers and research into new treatments
- ask your questions, share your thoughts and shape future research

To attend you must register and receive confirmation. Places are limited so please register early. For more information and to book your place, please get in touch:

**Online:** [cancerbrc.org/head-and-neck](https://cancerbrc.org/head-and-neck)

**Phone:** Lisa - 020 3186 5408

**Email:** [cancerBRC@rmh.nhs.uk](mailto:cancerBRC@rmh.nhs.uk)
