

SACT Study Day

Thursday 17th July 2025

Overview:

The aims of the study day is to provide an update of these contemporary issues in SACT services. The participants will:

- Understand how SACT is now personalised
- Appreciate how SACT services are responding to patient needs
- Understand new thinking and emerging services with regards to living with the consequences of SACT treatment
- Have an overview of emerging clinical questions

This study day is for established and new to SACT Nurses. The day will also be suitable for other healthcare professional looking for an overview of these contemporary issues.

Organised by:

Dr Elaine Tomlins, Consultant SACT Nurse

Manuela Trofor, Divisional Director of Nursing

Kay Bell, Lecturer Practitioner

Tessa Renouf, Senior Project Manager for SACT

Cost:

£150 Standard Rate

Venue:

The Royal Marsden Education
